## Customer Reviews

It took me quite a few hours of searching online to find the perfect Bible cover but I finally found it in this one! It is so soft and has plenty of space for your Bible and personal belongings which includes the front flap pocket, a zipper pocket on top of one side and a snap closer on the top of the other side. It has two attached bookmark ribbons and a pen holder. It also includes a little mirror so you don't have to take your compact ladies. It hangs very nicely from the shoulder and it does not feel heavy at all and I have a large size Bible. My Bible's dimensions are 9.8 x 7.4 x 2 inches. I brought both the white and tan. If they decide to make more colors, I would buy those too. You won't be disappointed with this Bible cover purse.

I bought this for my Grandma because she's always looking for a purse that will fit her bible, notebook, etc. What a perfect solution!!!! It looks even better in person than in the pictures. I showed it to my daughter and she said "oh yeah, the color is even better than I thought... Grandma's gonna love this". I would buy from this seller again and again. I sent an email asking to please do their best to have it here by Christmas Eve and they shipped it out the same day so I received it yesterday with plenty of time to spare. Thanks to the seller!!!!

Leather is too thin and anything you accidentally rub against will leave a permanent indent.

I bought this item for my mother for Christmas a year ago and she absolutely loves it! She uses everytime she takes her Bible to church or study. There is plenty of room for pens, notepaper, and reading glasses, too. This stylish Bible Cover/Purse looks fantastic. I can't tell you the number of times she has told me that she has not seen a better looking one out there and just loves hers -- she's even thinking of getting another one to have just as a backup!!!

It didn't fit the Bible. It was too small.

Very nice and is a quality product and soft. Too bad had to return it as it did not fit for the purpose I needed. Nice idea though and a good size.

I bought this item for my mom for this Christmas. My choice to buy it was based on the previous review. My mom says, this is the best Bible cover/bag that has ever been made. Too bad it has limited availability. I would buy it in the other color.

Very nice product. Quality leather, attractive bag. Holds Bible and notes/papers/small books. Middle section zips open. Would definitely recommend this.
