Sharon Eliza Nichols created the Facebook group *I Judge You When You Use Poor Grammar*, which boasts more than 430,000 members and 8,000 photos of misspelled and ungrammatical signs. Sharon has been featured in the *New York Times* and the *Wall Street Journal* and lives in Charleston, S.C.

I HATE bad grammar, but even I got bored of page after page of poorly written signage. Wish there was a mixture of different examples --- maybe newspaper clippings, grocery store advertisements etc.

The Kindle edition is a real waste of money. The pictures are so small it's impossible to read them, and when you enlarge them, they are too blurry to read.

This was really not very funny, I'm afraid. It was mostly very common apostrophe errors and the commentary was dull and off the mark. Sorry. I really wanted to enjoy it.

Not good value. I expected more for the money. I was very disappointed with this book. I could not see half the information because the print was blurry.

seriously, if you tend to see little things grammatically you will enjoy this book

It's great, it's funny, but what do you do with it? It would work as a gag gift or coffee table book. Probably wouldn't purchase again- takes up too much room.

Fun!

Lots of fun to read.
