Great book!

I loved the content but wish I had not purchased the student edition. Next time I will remember to purchase the normal version of books.

Thank you!

Excellent teaching that defines truly what being a servant of Jesus truly looks like in the life of a

believer, a biblical truth that I've never seen taught in my christian walk but yet we see it model by Jesus during his life here on earth. Jesus was passing the baton to us to continue the work of the ministry that we are not here to be served but to serve. Truly living out the scripture "Therefore by the mercies of God present your bodies as a living and holy sacrifice acceptable to God which is your spiritual service of worship" It's well worth the investment because it's life changing.
