The Brick Bible: The New Testament: A New Spin On The Story Of Jesus

Synopsis

NOTE TO PARENTS: This book is intended for older children, teens and adults. For younger children, please search for The Brick Bible for Kids series of picture books. The New Testament as you've never seen it illustrated before! From the author of the highly praised and somewhat controversial The Brick Bible: A New Spin on the Old Testament comes the much-anticipated New Testament edition. For over a decade, Brendan Powell Smith, creator of popular website thebricktestament.com, has been hard at work using LEGO[®] to re-create scenes from the Bible. Now, in one volume, he has brought together over 1,000 "brick" photographs depicting the narrative story of the New Testament. From the life of Jesus--his birth, teachings, and parables--to the famous last supper scene and the crucifixion; from the fate of Judas to the adventures of Paul; and culminating in the powerful book of Revelation, this is the New Testament as you've never experienced it before! Smith combines the actual text of the New Testament with his brick photographs to bring to life the teachings, miracles, and prophecies of the most popular book in the world. The graphic novel format makes these well-known Bible stories come to life in a fun and engaging way. And the beauty of The Brick Bible: The New Testament is that everyone, from the devout to nonbelievers, will find something breathtaking, fascinating, or entertaining within this impressive collection. 1,000 color photographs

Customer Reviews

"A spectacular twenty-first-century Biblical art masterpiece." -Rev. Wanda Lundy, Professor of Ministry Studies New York Theological Seminary"Smith brings back his superb storytelling and photographic skills in a much grander way with this second volume...Imaginative, accurate, and simply amazing...This is a book that will get you talking about the Bible, asking questions, and get you involved in wanting to know more." -The Chicago Tribune"the perfect gift" - The Onion AV Club

Brendan Powell Smith is the author of Noah's Ark: The Brick Bible for Kids, The Christmas Story: The Brick Bible for Kids and books for older readers, including The Brick Bible: A New Spin on the Old Testament. He has produced over 5,000 illustrations retelling over 400 stories from the Bible. Visit his website at thebrickbible.com.

I gave this to my son three years ago when he was 6, and he is still reading it as a 9-year-old (it's well worn). He loves Legos and so this was a great fit. It's not 100% accurate in terms of representing the Bible stories, but that's a fair trade-off because it gets my son interested in the Bible, and opens up dialogue for us to talk about God and the stories from the Bible. He asks me lots of questions and we have lots of good discussions. He even points out some of the places that are a little off, since he has also learned a lot from church. I also gave my son the other Brick Bible on the Old Testament, and he loves that one as well.

Garbage!!!!.... not an accurate depiction of the Bible. After it arrived and I looked it over, I did some research and found out it was written by an atheist. This book is his "spin" on what the Bible says. This is not appropriate for kids. Also mine arrived damaged. The cover is completely separate from the book. It will be returned tomorrow.

"A new spin on the story of Jesus" at least the subtitle is accurate... This is a disappointing misrepresentation of accounts documented in the New Testament. The quality of the manufacturing is good and the photos have great resolution, I just wish the content was accurate. The author took great time and effort to construct the scenes and place the minifigures but failed to take the same amount of effort when conveying the information from the original text into this "new spin on the story of Jesus". This is not a book I feel comfortable allowing my kids to read on their own because it distorts the truths presented in the original historical documents and some of the pictures are more graphic than they should be for a children's book. Granted there are some pretty dark events depicted in the original text but having them "acted out" by minifigures isn't appropriate for a

children's book.

We own the Old Testament and have NO problem. This is my 2nd cop of the New Testament and both are DEFECTIVE. The spine is unglued from the book in BOTH copies :(

This book literally fell apart as soon as I turned the last page. The binding was made poorly. We plan to return it and get a new one, possibly hardcover.

Book format is very good. Pictures and reading is easy. Would be 5 stars if the book binding didn't fall apart the day we got it. Poor quality of book but content is excellent

Nothing wrong with the book itself, it's great, and the lego builds in are very creative. The problem is the way the book is held together, the glue in the back comes apart, and the cover won't really stay on for so long...

GREAT GIFT FOR A CHILD
