Crash Course - Electric Guitar

Synopsis

(Music Sales America). Prolific guitar-writer Jamie Humphries offers a complete 8-week crash course of "speed chapters" in the electric guitar. Featuring two CDs packed with demonstrations and examples, this volume starts at the very beginning with your first chords and rhythms. You will then tackle blues shapes and your first soloing ideas, expand your chordal vocabulary, and learn a library of scales and exactly how to apply them. Each chapter features a brief goal summary, a core lesson, and ends with a test to assess your progression. Get off the ground fast with this innovative approach to guitar study!
