The Fourth Doctor Adventures - The Eternal Battle (Doctor Who: The Fourth Doctor Adventures)

Synopsis

This range of two-part audio dramas stars Tom Baker reprising his most popular role as the Fourth Doctor (from 1974 -1981) with a number of his original TV companions. This fifth series reunites the Doctor with Romana (Lalla Ward), a fellow Time Lord for adventures across Time and Space! The TARDIS has landed in a war zone. The Doctor, Romana and K9 find themselves traipsing through an inhospitable battlefield. Strange lights flicker in the sky, and stranger creatures lurk in the darkness. When rescued from an attack by a Sontaran tank, the time-travellers discover they're facing a far more dangerous foe than the battle-hungry clones. This terrifying fight has been going on longer than anyone can remember...and shows no signs of stopping. With the TARDIS missing and their luck running thin, the Doctor and his friends' only hope of survival is to uncover the truth about what is happening on this planet. If they can discover the secret of the eternal battle they might just survive...but it might just mean the end of them all. The sixth series in a Big Finish range which is hugely popular with fans young and old of the classic TV series Doctor Who. This pairing of the Doctor and companion Romana harks back to the most-watched period of Doctor Who, one that to a generation is the most loved and iconic and which broke the records for viewers of the show. The monsters of this story - the Sontarans - are vicious war-obsessed creatures...and massive fan favourites! Guest star Dan Starkey has played a number of them in the new Doctor Who TV series. CAST: Tom Baker (The Doctor), Lalla Ward (Romana), John Leeson (K9), Dan Starkey (The Sontarans), John Banks (Brennan).

Customer Reviews

Tom Baker always great....good story and voice acting.

A serious Santoran story that finds the Doctor, Romana, and K9 encountering a group of Sontarans that have been fighting so long that they're Field Major is war-weary as the dead don't die but come back to life to menace the living. The story has some slow points, but once it gets moving, it more than make up for it with the revelation of what is truly behind this horrific situation. The story deserves credit for really capturing the feel of Season 18 in both tone and style, as this felt exactly like what a Sontaran story from that era would be like.
