My Fiji!: A Short Trip To Paradise For Less Than US\$1,000 (K.I. Peeler's World Travel Book 5)

Synopsis

My Fiji!: A Short Trip to Paradise for Less Than US\$1,000 is the 5th volume in K.I. Peeler's World Travel Series. It is about her travel to Fiji that took place in June, 2017. She found an ad of a travel agency that offered a trip to paradise for less than US\$1,000. All she knew about this small island country in the middle of the South Pacific was the FIJI water that she saw on the shelf of her local WalMart. She did research before embarking on this particular journey. Little did she know that she would discover so much about Fiji, its people, and herself.

Customer Reviews

I love reading K.I. Peeler traveling stories. They are entertaining and educational. She focuses on local people, she sees their uniqueness and kindness and this is the most important in our time of globalization. In her books we find solid information that we need to know about a country we are visiting but it is nicely mixed with description of her observations and experiences, what makes reading these books easy and relaxing. After reading "My Fiji" I definitively want to visit the country of my favorite water from Walmart !

Great read!! I enjoyed looking at Fiji through the author's eyes and her great journey! Recommend the book!
